

Judeo-Christian Values are Under Assault - Why it Matters.

Dr. Jim Garlow, author, pastor and CEO of Well-Versed, joins Kevin Freeman to share new insights on the declining role of the church in America and what that means to American greatness.

ALERT: A globalist government can only be achieved if Judeo-Christian values are eliminated. As the globalist agenda moves forward targeting free speech and religious liberty, over 90 percent of America's pastors are sitting on the sidelines and refuse to speak out.

Freedom of Speech, Economic Liberty, and Religious Liberty are all under attack. Are you ready for what is next? Do you know how to speak to the political, social and cultural issues of the day? For this briefing, Dr. Jim Garlow addresses this in an easy to learn format in his book *Well Versed*.

In addition, Jim reviews the status of America and what we can be doing to protect American values. With American liberty under threat like never before, it is time to make sure we are considering parallel systems in today's cancel culture. He shares an overview of his upcoming Future Conference and how and why we need to create alternative systems now.

Note: Given the dynamics that Christians are being canceled and completely marginalized and coerced in their actions today, preparation is critical!

Your Mission: To be aware of the threats to Free Speech, Economic Liberty, and Religious Liberty. It is up to you defend liberty and be prepared!

Two Proverbs (22:3 and 27:12, paraphrased) state, "A person who sees danger and prepares for it is wise, but the fool goes blindly on without preparation and suffers the consequences."

"I hope, frankly, Kevin, that nobody needs one bit of the information that we're sharing on preparation. I hope they don't need any of it. Just like when I buy health insurance, I don't want to use it. When I buy car insurance, I don't want to use it. When I buy life insurance, whatever type of insurance, I don't want to use any of it." -Dr. Jim Garlow

Ep. 5-189(OSINT) Open-Sourced Intelligence Report. This briefing includes conversations with Kevin Freeman and Dr. Jim Garlow. Dr. Jim Garlow is the Founder and CEO of Well Versed, Inc. Garlow is heard daily on over 800 radio outlets nationwide in his one-minute commentary called "The Garlow Perspective," and has appeared on numerous national TV shows on NBC, ABC, CNN, Fox, MSNBC, CNBC and Comedy Central.

Garlow has done over 1,300 radio, TV and print interviews – national and local – covering a wide range of topics: historical, theological, political, religious liberty, marriage and family issues and cultural trends.

He graduated from Drew University (Ph.D. in historical theology), Princeton Theological Seminary (Master of Theology), Asbury Theological Seminary (Master of Divinity), Southern Nazarene University (B.A. & M.A.), and Oklahoma Wesleyan University (A.A.).

Garlow has written 19 books, most recently *Well Versed: Biblical Answers to Today's Tough Issues* and *This Precarious Moment: Six Urgent Steps That Will Save You, Your Family and Our Country*, both released by Regnery Publishers of Washington, DC. 1. The Biblical Worldview is Lost in Many Churches Across America.

The State of the American Church – "Bad, very Bad" – Top Consultant

According to Barna Research, there are 364,000 Churches in America.

- » Approximately 20,000 of those are Jewish, Muslim, Hindu, Buddhist, Sikh, and other faiths.
- » Catholic Churches comprise another 20,000 Churches.
- » Protestant churches make up the about 324,000 of the remaining churches, and only about 28 percent of those have a biblical worldview.

Garlow, with his insights as Protestant Pastor, shared Barna research that indicates only 28 percent, or around 100,000 churches are biblical, that means that 72 percent are not.

In those other protestant churches, there is no fierce commitment to scripture.

- » Only 8 out of 100 Christians in the church adhere to a biblical worldview.
- » If you include Millennials, it drops to 4 out of 100 in the church that have a biblical worldview.

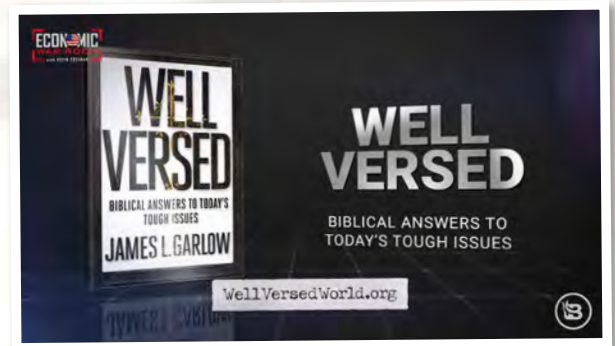

Barna Research estimates only 15,000 churches operate with a distinctly biblical worldview.

“We saw the real test of that was during COVID. Pastors were willing to roll over and play dead and not challenge the government when they told them, ‘Don’t meet for months on end, even years,’.... saying ‘Don’t do anything.’” –Dr. Jim Garlow

“We know from the de Tocqueville that “when America ceases to be good, she shall cease to be great. And the greatness of America is founded in the churches.” You’re telling me that part of the problem we’re facing today is that we’ve lost that biblical worldview because the churches are not there.” –Kevin Freeman

2. Well-Versed – A manual to Equip Christians to understand the biblical perspective and speak up.

Dr. Garlow wrote the book *Well-Versed* based on a need he saw in America and within the church.

“I discovered that nine out of 10, about 90 percent of pastors, agree that the Bible speaks to the political, social, and cultural issues of the day. But when asked in the same survey, ‘Will you speak out on what the Bible says about those issues?’ 90 percent said, ‘No, they would not.’” –George Barna

In addition, lay people do not speak out either. It is not because they are afraid to speak out on issues, they just do not know what to say.

***Well-Versed* covers 30 topics to equip people to speak out.**

“It’s not just the classic two -- abortion and marriage. Although what we lay out on marriage, I believe is quite more significant than you can find on any writing.

We unpack the Hebrew understanding in Genesis 1, 2 and 3 of marriage. But we hit such things as welfare, health care, minimum wage, Social Security, theology of war, parental authority, philosophy of education, all the things that are discussed today, everything is discussed in the political realm. We hit and lay the biblical underpinnings.” –Dr. Jim Garlow

KEY ACTION THAT CAN MAKE A DIFFERENCE – If you want to get a copy of the book *Well-Versed*, go to www.wellversedworld.org.

"If you buy the book, buy the case. I sell it for my cost with zero profit. It's 24 books to a case, and I want to get that out to as many people as possible.

My goal is not to make money on it. My goal is to try to save America." – Dr. Jim Garlow

WARNING – AMERICA IS IN TROUBLE:

"We're in trouble. We cover that every week in the Economic War Room®. We're in economic trouble. We're in political trouble. We're in moral and philosophical trouble. We just don't even know how to think.

We're being told, 'You have to think this way. You have to do this thing.' It's mandatory speech, forbidden speech, and mandatory action and forbidden action.

Literally, this country, founded by people with a Christian worldview, a biblical worldview, are being told you can no longer live that way.

In fact, that's a hate crime. And they're attacking people right now in the State of California where you've lived, and even in Texas where I live, they're attacking us for our faith, for our belief and so forth.

This is a threat to the future of Christians, but it's a threat to the whole world."

–Kevin Freeman

3. The Reason Free Speech and Religious Liberty Are Under Attack.

The Answer: A Globalist Government can only be achieved if Judeo-Christian values are wiped out. Make no mistake, eliminating God is part of the Globalist agenda.

Free Speech Under Attack:

“We have seen the most rapid rise in totalitarian authoritarianism these last two years, more than we have ever witnessed in our lifetime or in American history. This is a global phenomenon. It’s occurring here, Australia, New Zealand, Canada.”—Jim Garlow

- » Trudeau turned Canada into Cuba in one day when he froze the bank accounts.
- » He’s arrested a bunch of pastors.
- » When you see that now, you’re thinking more of communist China the way they’re treated.

You look across our world and it is an alarming rise, and the crushing of speech has to happen.

“I used to wonder when I go to the Yad Vashem Museum, the Holocaust Museum in Jerusalem, I just wonder why didn’t people rise up? How did this not happen?”—Jim Garlow

- » Today we now see this happening incrementally what they are doing.
- » They’re literally doing it to our own country and silencing us, and we’ve learned to grow accustomed.

Garlow explains, “I’m right now in YouTube prison. I can’t be on YouTube right now until June something, whatever it is. And all of us, everybody I know has been in Facebook prison, and then imagine Twitter cutting off the President of the United States, for goodness sakes, permanently. This is how far gone we are from what we have been constitutionally.”

“They cut the New York Post off because they reported on what we now know as a factual story about Hunter Biden. They just shut them down and said, you’re not allowed to tweet on this subject. And it could be disinformation, misinformation and malinformation. Malinformation means anything that goes against the government’s narrative. So, you’re right, it’s complete totalitarianism.” –Kevin Freeman

WARNING: THE COMMUNIST SLIPPERY SLOPE IS HAPPENING IN AMERICA – “Every single person I know who’s come to this country from a communist country, when I’m with them, they are terrified at what they’re seeing in this country. They’ve seen it all before. They recognize it.” –Jim Garlow

Religious Freedom Under Attack:

Political freedom, religious freedom, and economic freedom rise and fall together. If you find two, you’ll find the third.

What you’re speaking of freedom of speech, it is a political freedom, but it also ties directly to a religious freedom.

It also has views in the whole economic liberation that we all enjoy and the freedom (liberty) we enjoy here in this country.

4. Good Economics is Based on Biblical Principles

KEY POINT - There are certain biblical principles that have made this country what it is.

Look at:

- The Rule of Law
- Private Property
- Ingenuity
- Entrepreneurship
- The productive work in well-adjusted / well-functioning global markets.

Those five ingredients that are biblical principles are the economic foundation of our nation. And those and others like it are being crushed out.

Free Speech provides the capacity to do what you want to do. Without it, you're fired from your job. Your occupation is taken from you.

Action is Needed Now:

This is an alarming moment, and we really only have a window of time to rise up and put a stop to this because the government so far, to some measure, is still "we, the people" in this country.

But we're coming to the point where we have almost no influence in that process and we will pay a dear price, as will our children and grandchildren.

"If they can force a vaccine into a person's arm in order to keep your job or anything else, that is a most severe form of economic warfare and tyranny." -Kevin Freeman

Lessons In History: Lessons from a Globalist Insider. (Garlow, reflects on a recent interview from the inside.)

I interviewed last night, a man who rose up in the ranks of globalism. He wasn't one of them, but they didn't know he wasn't. He rose up in the ranks as a young man for many, many years, going to the top globalism meetings.

One of the meetings that shocked him the most early on was one in Washington, D.C., with the leaders in Washington, D.C. This is a number of years ago now, and he gave the name of the speaker. The name of that speaker said,

"We will only achieve what we must achieve as a global government if Judeo-Christian values can be put aside and wiped out."

And that is precisely part of a larger plan. This is well thought out. This is not sloppy and haphazard. This is with high intentionality. They know precisely what they're doing.

They have to suppress Judeo-Christian thinking and all the ramifications of Judeo-Christian thought. **Vladimir Lenin knew that. It's been a part of the communist mantra forever that you have to suppress, because if you have anything higher than the state, the state isn't the ultimate authority.**

Obviously to a Christian, God is higher than the state. And really, frankly, to people of many religions and backgrounds, God is higher than the state. **So, they've got to suppress any belief in anything greater than government.**

To the other side, government is "god," and it has the final word. It's not by accident that these kinds of movements are inherently atheistic at the core.

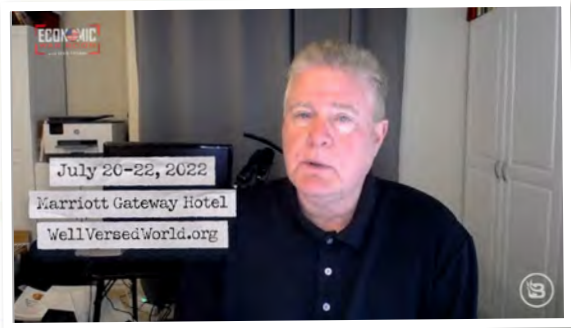

"My contention is we're in a position right now, where we, as followers, of Jesus Christ and other people of values, of clear values and freedom loving people in general have to find a way to create an alternative universe, in a sense, to survive and even to thrive, to make it through the environment we are in right now."—Jim Garlow

5. Future Conference explains Biblical "applicationalism" to any political issues.

It's time to un-cancel America's true culture. To be prepared and ready to respond!

The **Future Conference**, July 20-22, will be in Washington, D.C. (Arlington, Virginia). **It's three different conferences, each one day, back-to-back!**

Day One - What to say and how to say it. How to respond to every political or governmental issue.

"How to think distinctly biblically/scripturally, biblical "applicationalism" to any political or governmental issue. But even more than that, we are trying to whittle it down to bullet points to make it memorizable." –Jim Garlow

- How to share your faith in a hostile culture.
- What do you do in the culture like today?

Future Conference will cover a host of topics and you will walk away with literally the equivalent of flashcards, bullet points, on what you need to know about any governmental topic to be able to respond to the conversation, we hope in a compelling, winsome, loving way at the same time with true, honest facts to help set people's minds straight on what God says about each one of these issues.

Day Two – This will cover **“What do we do?”** How do we soar above the storm? How do we stay airborne as Christians? Kevin Freeman will be one of the lead speakers at this event.

How do we create an alternative or parallel universe given the dynamics that Christians are being canceled and completely marginalized and coerced in their thought, in their actions right now?

- › It will address the Economics of being cancelled and how to respond.
- › In an age of anti- Christian, or antisemitism, if you had to flee, what would be a place of refuge?
- › How do we have communications if the government wants to cancel us? Or AT&T wants to cancel you from your phone because you don't agree with certain issues? How do you have communication with each other?

→ Nick Vujicic, as many of you know, the man who travels the country, man without limbs, without arms and legs, he had his bank account frozen, his credit cards, debit cards.

- › We're going to touch on all about health care, how to have health care, medical provisions, when doctors who are being canceled themselves. Basic survival techniques. What do we do in that case?
- › How to find work if you are fired for your values.
- › How to educate your children if you are forced into state indoctrination schools or if you are force out of schools for your values.
- › How your church could operate underground if it ever needed to.

Two Proverbs (22:3 and 27:12, paraphrased) state, "A person who sees danger and prepares for it is wise, but the fool goes blindly on without preparation and suffers the consequences."

I think we would all rather prepare for something that never happened than not be prepared when something does happen.

Day Three – Is about un-canceling our true History. Participants will either take a trip to Museum of the Bible, or a trip to Thomas Jefferson’s Monticello and George Washington’s Mount Vernon. We are going to give you an honest understanding about these founding fathers.

“Why are we going there? Because they’ve been largely canceled by the culture, even to the point that even when you go travel those places -- I was just at Monticello two weeks ago – the opening line was, ‘This is a place of bondage. This is a place of slavery.’ We heard a lot about slavery. We’re going to have two experts on Thomas Jefferson and George Washington giving a lecture before we get on the busses and make those trips.” –Dr. Jim Garlow
