

## Economic Warfare on Life

Are you frightened by the disturbing trend that could label you a domestic terrorist for being pro-life or a conservative Christian, then get kicked out of your bank? Sounds like a story right out of a George Orwell novel. Unfortunately, this is not fiction, it's real life. Getting banned from your bank for your values or the industry your company is in has become more common every day – right here in the USA!

In this briefing, Nick Vujcic joins Kevin Freeman in the Economic War Room® to reveal his personal experience being debanked and how he's fighting back – not just for himself, but for all of us.

### Key topics include:

The power of the individual vs. groups, and how every one of us is uniquely made by God.

- Economic warfare on life - The truth about banks and the abortion industry.
- How conservative Christians are being bullied – cancelled from their banks because of their morals – dehumanizing the individual by being removed from the economic system.
- The concept and reality of value-aligned banks that validate people's rights to participate in our free market economy.
- How it is the responsibility of every Christian to weaponize their money – giving, spending, and investing - to be used for the glory of God, for His Kingdom and not supporting the woke culture.

**YOUR MISSION:** Recognize that individuals and organizations are being censored by financial services companies for their conservative values and the free-market weapons you have available to counterattack the left's agenda.

**ATTENTION:** Many financial institutions we use every day are supporting movements directly opposed to conservative, Christian values. We can't allow this to continue with our money and that of ministries and churches we support. Together, we CAN take back our economy for the cause of good by unifying our efforts to make the truth known.

Ep. 6-213 (OSINT) Open-Sourced Intelligence Report. This briefing includes conversations with Kevin Freeman and Nick Vujicic. Nick is an Australian-American born without arms or legs. He's become a world-renowned speaker, New York Times bestselling author, coach and entrepreneur. Nick has persevered through life's challenges, and he's discovered key principles, which enabled him to find his purpose and turn obstacles into opportunities, making him one of the most sought-after keynote speakers in the world.

Nick is an anti-bullying advocate and founder/CEO of the nonprofit ministry Life Without Limbs. He's been featured on BBC, 60 Minutes Australia, CBS Sunday Morning, Oprah's Life Class, USA Today, People Magazine, ABC News, the Glenn Beck Program, TLC, LA Stories, and many more.

Nick personally connects with his huge social media following through the Nick Vujicic podcast and engages through webinars and coaching, offering amazing inspiration to a hurting world. Nick is also a husband and father of four children.

### 1. **The power of the individual vs. groups, and how every one of us is uniquely made by God.**

Nick was born in Melbourne, Australia. Limbless. There is no medical reason as to why he had a limb deficiency from birth. The doctors just said, well, maybe he's never going to walk. He may never go to school.

"My mum and dad fled Communist Yugoslavia in the 1960s through refugee camps. I was their firstborn son and after some time they said, 'God, if you have a plan for our child, we want you to help us get out of the way and give him every opportunity to flourish.

I went to school, went through depression, and attempted suicide at age 10. I was seeking my faith and wondering what plan and purpose He [God] could ever have for me. At age 15, I gave my life to Jesus Christ. Reading John chapter 9 about what Jesus said to the blind man and the people around him when He healed him.

I realized, God, if you give me arms and legs, you give me a miracle. Awesome. If you don't, help me to be one for someone else." —Nick Vujicic

**One person, the high school janitor encouraged Nick in a way that changed the course of his life.**

When Nick was 17, a janitor at his high school saw Nick speak to 1,400 students and told him he was going to be a worldwide speaker. Nick thought the janitor was crazy, but when he asked Nick if he was a Christian, challenging his faith, the janitor offered to organize Nick's speech so he could share his story.

The janitor persisted for three months until Nick agreed. When people heard Nick's story, they would cry. Soon they started inviting him to churches and youth groups. He became an ordained minister as an evangelist 20 years ago at the age of 19.

He has traveled and preached the gospel to 9.7 million people face to face [through Nick's ministry, Life Without Limbs <https://lifewithoutlimbs.org>] A total of 1.1 million people have given their life to Jesus Christ from Nick's public speaking.

- » In addition, through digital media, 733 million people have heard the Good News.
- » "My parents always said, 'Nick, don't worry about what God hasn't given you. He's given you a brain. Do what you can. Stop focusing on what you cannot.' And they helped me to embrace failure not as a status, but as my classroom.
- » "When we embrace failure as part of the journey, to understand that you don't just go through things, you grow through things. That resilience was something special that my parents put in me along with my family, community, and church community as well." —Nick Vujicic

**Nick's ministry fights to prevent suicide and bullying in schools.**

We all know that teenagers think about committing suicide. Nick conducted an anonymous survey into 297 schools where students admitted that:

- » Before COVID, six to 12 percent of all teenagers have thought of committing suicide.
- » Of those who thought about it, 36 percent went on to attempt suicide.

The 2 Primary Key Drivers Impacting Teens:

- Brokenness at home.
- Bullying at school.

Every year, Nick speaks to tens of thousands of young people across America and the world - in person and via livestreaming. He's spoken at state legislatures and with presidents in 75 countries about the suicide problem.

Nick explains his message to young people:

- » You know that there is someone in the crowd who just needs to understand that you're beautiful just the way you are.
- » No one deserves to be bullied.
- » If you've ever thought of giving up – so, have I and I even tried – but I want you to know, please stay here.
- » There's a greater purpose and value to your life.
- » Your value is not determined by what people think of you, and your past does not define your future.

“What you bring is a message of individual dignity. And that's so powerful because we see everything else as just a group. I think one of the major sins of the world today is we see everything as a group. We don't realize there's an individual that God has made. Every one of us is uniquely made by God, and he loves us at an individual level.” —Kevin Freeman

“For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well (NIV, Psalm 139:13-14).”

**An Important Personal Message from Nick:**

“God loves you; He's got an awesome plan for you, and I love you. And if God can use a man without arms and legs to be His hands and feet, then God can use any willing heart.

I just want you to know – never, ever give up on God, He can take your broken pieces and do something beautiful. Know that there is hope for you. So please, don't give up.” —Nick Vujicic

**2. Economic Warfare on Life - The truth about banks and the abortion industry.**

Nick met Betsy Gray in 2015 when he was speaking at an annual gala for the pro-life organization she was leading at the time. For years they had helped abortion-determined women receive a free ultrasound. Statistics show that **seven out of 10 women choose life after seeing their baby in an ultrasound.**

“So many babies were saved in Santa Barbara thanks to this nonprofit organization. And when Betsy and I met, it was absolutely confirmed in the Holy Spirit that we would do something. We would see God do something through our friendship for pro-life.” —Nick Vujicic

**The Vision for a ProLife Bank:**

**Three years into their friendship, Betsy calls Nick, telling him God has given her a vision to start a pro-life bank and wants his help.**

In 2018, Betsy’s ministry received a large donation from a donor. She knew that the bank they were using, a local bank, gave philanthropically to the largest abortion provider in the nation.

Betsy told her board that, “It’s time we find a bank that doesn’t support abortion.” She asked her board and treasurer to find a bank that doesn’t do that.

They came back three weeks later and discovered that there’s not a single bank in Santa Barbara that doesn’t proudly support the abortion giant. Betsy was crushed and was praying and repenting and asking the Lord what she should do.

Think of all the money from not only our organization, but all the churches and the Christians that are inadvertently supporting abortion.

“I heard the Lord say, I want you to start my bank, pro-life bank. And I said, ‘Yes,’ because I know that that’s all we need as people of faith is to say, ‘Yes’. And usually, it’s always going to be way too big for us to accomplish.

I don’t have any background in banking. So, that’s when I started calling some friends. And of course, one of my first calls was to Nick.” —Betsy Gray

**The Foundation for starting proposed Pro-Life Bank.**

- » Betsy told Nick she's "Starting a bank, God's bank, a pro-life bank." And she wants Nick to help her get it going.
- » Even though Nick doesn't know banking; he does have a background in accounting and finance.
- » Over the next two years they called different people, including wealth managers, people in payment systems, credit card systems, etc. to get them on board with the proposed Pro-Life Bank.
- » Although many were Christians, they told Nick and Betsy to come back when they were at a later stage.

In February 2019, Nick warned Betsy of the steep climb she had to start a bank on her own and advised her to find someone to actively drive her vision forward. Emphatically, she said it would be him. He disagreed, but also agreed to pray about it.

**A Month Later Nick Vujicic was canceled from his bank!**

"Because the history is so much more to our friendship. She hears from the Lord and I've known that. So, when Betsy says something, you've got to listen. So, I said, 'Okay, I don't want to talk to you now for three months. No texts, no phone calls, no emails. Let God, I don't know how, but let God tell me this is what He wants me to do.' A month later, I got kicked out of my own bank."

—Nick Vujicic

**3. The Big Bully – Banks.**

**Conservative Christians are being bullied – cancelled from their banks because of their morals – dehumanizing the individual by being removed from the economic system.**

It makes you wonder how would a bank kick you out of their bank, and what does that mean? Did they not like what Nick was saying about anti-bullying and being pro-life?

**Nick describes being banned from his bank:**

- » We woke up one day and our credit cards, personal and for-profit, credit cards, debit cards, credit line were frozen.
- » You have three credit bureaus... and they refused to speak to me. I went to the branch. They said, "We are not allowed to talk to you." I asked them, "What do you mean you're not allowed to talk to me?"
- » The bank told me that I really needed to leave the building. And I said, "I have no idea what is going on".

- » I called some friends in DC and I asked if I was on a list. Did they find my fingerprints for laundering money or terrorism? I was serious. My friends said no, but the best thing was to try opening another bank account.

*The bank, that I'm not going to mention, gave me 30 days to find another bank. They gave me a letter and said, "We have reviewed who you are as a customer internally and we don't want anything to do with you. Go find another bank."*

“This is frightening. This is what they did to gun stores and gun manufacturers. It's called **Operation Choke Point**. And they did it officially and then they had to apologize. A friend of mine was the head of the American Bankers Association, Frank Keating. He said this is completely wrong and they do it at the FDIC level. They do it at the state banking examiners level. It's wrong! It's a way that you can dehumanize a person and just say you don't exist in here. This is George Orwell.” —Kevin Freeman

Look at Canada right now. There are many people in Canada who can't get a bank account because they gave to the truckers. It really is an economic war.

“No matter who you are, no matter what you do for profit, nonprofit, if you can't have a bank, you can't function. You don't exist.”—Nick Vujicic

### **Fighting Back – A Proposed Pro-Life Bank in Dallas Ft. Worth.**

**Nick's experience and Betsy's discovery about banks supporting abortion was before the Cancel Culture was coined, so it's been happening for years.**

“People were looking at us with disbelief that their own banks were giving to Planned Parenthood or abortion providers. You might want to see if your church's bank or Christian school's bank gives to things that you don't agree with.” —Nick Vujicic

Nick, Betsy, and the proposed Pro-Life Bank team are negotiating for a bank in the Dallas-Fort Worth area that they believe is given by the Holy Spirit to purchase. They're ready to see God's bank flourish. It comes with a team who is ready to wage a humble, but confident war.

 **ATTENTION:** Check to see if your church's bank, your Christian school's bank or ministry's bank is supporting things that you don't agree with, like abortion.

## CASE STUDY – IT'S NOT JUST OTHER COUNTRIES, IT'S ACTUALLY HAPPENING IN AMERICA TODAY!

### Case Study 1 – Chase Bank and National Committee for Religious Freedom

Chase Bank canceled the National Committee for Religious Freedom's account and wouldn't explain why.

- » Chase employees initially told us they were prohibited from providing any explanation as to why our account was canceled.
- » Chase Bank later shifted and told us we hadn't provided requested documentation within 60 days.
- » Our account was closed only 20 days after it was opened, and we'd provided all the documentation requested of us.
- » This appears to be a smokescreen.
- » Sadly, this is not a new story.

### Case Study 2 – Trudeau threatens pro-Trump and Convoy Donors

- » Toronto Sun newspaper: "Trudeau Minister Threatens to seize accounts of pro-Trump Convoy Donors. The justice minister in Justin Trudeau's government has said that if you hold the wrong political views, you should be worried about your bank account."

### Case Study 3 – President wants to remove you from economic system

- » 74 million people voted for Donald Trump in the last election.
- » President Biden standing in front of Independence Hall, shaking his fist under red light, said if you voted for Trump, you're a fascist, you're not human and you've got to be removed from our economic system.

"This is the problem of economic warfare, especially domestic economic warfare, is you can be dehumanized by being removed from the economic system. That's why we need alternatives." —Kevin Freeman

#### 4. Pro-Life Banking – A Free Market Alternative!

It's time for pro-life banking to be a reality, banks that will not dehumanize people, that will recognize individuals and will validate their right to participate in our free market economy.

Nick explains the approach of their proposed Pro-Life Bank:

- » We're going to accept everyone as a customer.
- » We're never going to cancel anyone unless there's some judiciary unlawfulness within the account that is proven they're a part of.
- » We will see God's righteousness of stewardship according to biblical principle and values that we know that God enjoys life and all of life. That every baby is valuable and that life begins at conception.
- » In the stewardship of the profits will be philanthropically given towards biblically aligned non-profit organizations.

What if somebody is pro-choice and wants to open an account?

- » We will open an account for anyone. They don't have to agree with us because we'll probably be the best bank ever. So, everyone is going to want to bank with us.
- » They just have to know that philanthropically, we will be supporting things that uphold godly principles. And if that's something they're not aligned with, they can choose another bank.

**ATTENTION: Most people don't realize that their bank is anti-life. Yet, lately many large banks are becoming more blatant by advertising that they want to pay for travel and abortion of all their employees. So, it's becoming crystal clear where they stand.**

**WARNING: Are you considered a domestic terrorist?**

- » We know that next year the term "domestic terrorist" is going to be on the lips of everybody. They're going to call us, "domestic terrorists."
- » If you don't line up with what they say, you're a domestic terrorist and you're a threat to society.
- » But there are enough of us like you – we are the majority.
- » Some people of the remnant will say, "If Chase is funding their employees' abortion, here is my insurance company, and we'll pay for the adoption of that baby for someone else."
- » There is an equal reaction on that for those of us who do have that courage and knowledge. It's about principalities and powers of darkness.
- » This is a spiritual battle. We're in this dominion called Earth that's ruled by Satan himself. When we understand the spiritual realms and we know why we're here then we'll know what we need to do while we are here.

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. (NIV, Ephesians 6:12)

**5. It is the Responsibility of Every Christian to Weaponize Their Money.**  
**Your investments, spending, and giving should be used for the glory of God, for His Kingdom and not supporting the woke culture.**

“I’ve had a grenade (thrown) at my home. I got kicked out of a bank. I had a lawsuit threat from overseas, costing me \$120,000 to defend myself. And I was found not guilty. Of course, I’m not going to get the money back.” —Nick Vujicic

- » When you get in front of the gates of hell and redirect traffic, it gets hot. We need to start telling the church as well as the pastors, “Wake up and grow a spine!”
- » It’s ironic that God’s going to use a man without arms and legs to be his hands and feet and tell the crippled church, “Wake up.”
- » This is the time for churches and Christians to wake up and talk about:
  - The national security border where human trafficking is up 400 percent.
  - Foster care and adoption.
  - PTSD from abortion and how it’s affecting the church.

“As an evangelist, I feel responsible to correct the church in humility with all sincerity and righteousness. This is part of your financial stewardship. It’s God’s wealth. What is the enemy doing because of our lack of choice in where we bank?” —Nick Vujicic

---

“We call it weaponizing your money. I think every Christian has a responsibility to use their money as a weapon, as a tool. It is not an end in itself. It’s not something we need to pile up money. It is a tool God has given us and our spending, our giving and our investing all need to be used for the glory of God and for His Kingdom.” —Kevin Freeman

---

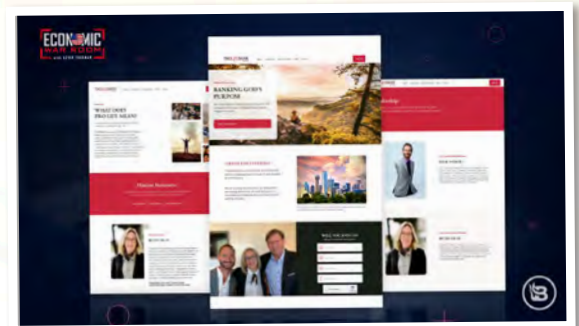

**6. Proposed Pro-Life Bank Will Have National and Global Impact!**

**Proposed Pro-life bank will not be the only alternative bank that's going to be available.**

- » There will be an affiliation association of like-minded bankers across America, because we know banks like Chase aren't going to give our customers cash.
- » It's going to be on a national level as well as a global fintech.
  - For example, the World Evangelical Alliance that's based in Europe consists of 600 million Christians underneath that umbrella.
  - Their number one prayer for the past 14 months is, "Who will be the global fintech as the Noah's Ark of the financials of stewardship here?"
- » Banks working with the Digital Texan will mitigate the risk of hyperinflation and absolute collapse. Those are the banks that will move forward with you, to have a gold backed currency again, that's everything.
- » God is calling the body of Christ together for those of us who are awake, who do have the courage and the boldness and the humility to lead strong.

You can learn more about proposed Pro-Life Bank at [www.prolifebank.com](http://www.prolifebank.com).
