

Keys to the Kingdom

In today's world of uncertainty, distraction, and shifting values, many are searching for a deeper source of purpose, clarity, and success. Beyond conventional wisdom and self-help strategies lies a timeless framework that offers spiritual grounding and practical insight for navigating life's personal and professional challenges. This framework—known as the Kingdom System—is rooted in biblical principles and offers a divine model for governance, decision-making, and identity.

By aligning with this system, individuals can experience fulfillment, resilience, and direction that transcend the limitations of secular thinking. Applying the Kingdom System can radically transform the way we lead, work, and live.

In this briefing we will discuss the following:

- » The Kingdom System: God's Framework for Governance, Success, and Purpose
- » Hearing from God: Spiritual Guidance in Everyday Decisions and Business
- » Activating the Spirit: Identity, Declarations, and Relationship with God

YOUR MISSION: Discover how aligning with God's Kingdom system can transform the way you lead, work, and live—by providing a spiritual blueprint for clarity, success, and peace

WHY YOU SHOULD CARE

- » The Kingdom System offers a divine alternative to broken worldly ideologies, giving you tools to understand life through a spiritual framework that fosters peace, purpose, and resilience.
- » If you're seeking direction in business or life, spiritual sensitivity offers a clear, effective, and tested approach to breakthrough decisions and calling.
- » Embracing your identity as a spiritual being—spirit, soul, and body—empowers you to live with confidence, renew your mind, and operate in God's power.

Ep. 9-344 (OSINT) Open-Sourced Intelligence Report. This briefing includes a conversation between Kevin Freeman and Charlie Lewis. Charlie is a friend of the Economic War Room® and an American Patriot.

Charlie Lewis is a businessman, entrepreneur, author, and teacher who lives in Thomasville, GA. Charlie is husband to Fran, his best friend of more than fifty years, and father to Zachary and Nicholas (married to Leah and Jennifer, respectively). In addition, Charlie and Fran have five bright and beautiful grandchildren. The Lewis family is a family of entrepreneurs. Charlie founded and presides over a national insurance company with over twenty-five representatives. Fran, a graduate gemologist, lends her expertise to leading the numerous jewelry stores the family owns and operates from South Florida to Texas. Both sons and their wives have active leadership roles in the family businesses.

As important as his role as a businessman has been, Charlie understands his true purpose in life to be that of making a positive impact in the world in tangible ways. For this reason, he has invested his own time and resources in multiple local, national, and international organizations that share his vision for creating lasting change, and empowering people to improve the outcomes of their lives. These organizations range from churches and local charities to universities, national policy think tanks, and globally-focused faith organizations.

1. The Kingdom System: God's Framework for Governance, Success, and Purpose

Life can be difficult, and decisions overwhelming. As the world becomes more connected, it also becomes more complicated.

The Kingdom System draws from ancient wisdom to define a way of life that will bring meaning and abundance to those who adhere to it.

Unlike human-made systems such as socialism or communism, which fail miserably because they lack redemption, the Kingdom System is eternal, unconquerable, and characterized by peace, prosperity, righteousness, and justice.

“Jesus said in Matthew 6, “seek first my kingdom, my government, my rule, my dominion.” And then he said, “my righteousness,” which literally translated is my way of doing and being right. Well, what he was saying is seek my government and then operate by my government’s paradigm. A paradigm is the ideas, the assumptions, and the beliefs that we accept that create our worldview, our understanding of how our world operates.”

—Charlie Lewis

This Kingdom is not religion, but divine government, meant to guide how individuals live, make decisions, and engage with the world. It changes how you see economics, politics, and your personal goals.

Attention: The Kingdom System invites you to live with divine purpose by aligning your worldview with eternal governance rather than temporal trends.

2. Hearing from God: Spiritual Guidance in Everyday Decisions and Business

The key to success in the Kingdom System is connection with God Almighty.

For Charlie Lewis, the Kingdom System is lived out when every major life decision is based on listening to God's voice.

"All of them ... Major life decisions, including closing a thriving furniture store, launching a jewelry business, and founding one of the largest family-owned insurance companies ... have stemmed from listening to God... He will give you witty ideas and inventions that don't come from the Earth realm. They come from heaven." —Charlie Lewis

These decisions often defied logic or worldly advice yet led to extraordinary outcomes.

This challenges the modern assumption that business and faith should be separate.

Lewis's testimony illustrates that the Holy Spirit can lead individuals to the right place at the right time, with clarity that analytics or advisors alone may never provide.

Attention: Hearing from God can elevate your decisions from calculated risks to spiritually inspired success.

3. Activating the Spirit: Identity, Declarations, and Relationship with God

How does one participate in this Kingdom System?

Entering the Kingdom begins with a personal relationship with Jesus, through which individuals gain access to heavenly wisdom, joy, and peace.

From there, the Kingdom System requires a mental rewiring.

People are triune beings (spirit, soul, and body), and real transformation begins by renewing the mind and activating the spirit.

Using spoken declarations based on Scripture to realign thoughts and self-perception with God's truth can unlock this new realm of spiritual clarity.

"The Bible talks about renewing your mind with the Word of God, but it also talks about how God created the heavens and the earth by speaking them into being. Your book is filled with declarations." –Kevin Freeman

Negative thoughts often stem from the kingdom of darkness. They aim to leave you depressed, anxious, angry, confused, frustrated, etc.

Declarations are a way to affirm divine identity and speak God's promises into being, silencing the lies of darkness and filling the mind with the truth of unfailing love.

For a solid biblical study of this process, read the book of Colossians, especially [chapter 3](#).

Attention: You were created to live from your spirit, aligned with God, declaring truth, and walking in divine purpose.

In the **Economic War Room®**, we encourage Americans to be the “little ships that make the difference.” You cannot solely rely on the government or the president to solve America’s problems. You have to make a difference. It is up to you to help take our country back and create a voice for economic liberty. [The little ships are based on Churchill’s Operation Dynamo that rescued the British Expeditionary Forces in the Miracle of Dunkirk.]
